Message from Jenny:

Hello, I hope the holidays went well for everyone. Now that the New Year has begun, RLC is right around the corner and deadlines are fast approaching. Please pay close attention to those.

Fond du lac High School has been working hard planning and making all the arrangements for RLC. The entertainment has also been decided on.

A wonderful new opportunity is being provided to you by the state officers. A community service form has been created that may be submitted for points before RLC. Certificates will be awarded to the top three chapters with the most points. This is an excellent way to earn recognition for all the things your chapter is doing.

If you have any questions about this please contact me at wifblaregion5vp@gmail.com

Congratulations goes out to Portage High School for winning the Virtual Business Fall Challenge making them eligible to compete at the 2010 National Leadership Conference in Nashville.
